Tip: If you do the Splits, Bridge and Japana every day you will become flexible very quickly!

Comments

Split up the bar work and the floor work.

Best time to do the floor work is before school.

Bar work could then be completed before you have your evening meal.

Ideally mum or dad could help you along a bit – or even join in?

Parents are to sign each day that the exercises have been completed.

Print out a new sheet weekly. Start on a Sunday, complete and hand in on Saturday.
